April 2021

Fall enrollment time for Pre-K

If your child is now in the 2's & 3's class and will be moving up to our Pre-K classes in the fall (they must turn 3, or 4 by Sept. 1st), it's time to get them enrolled for August. We want to give the children currently enrolled the first opportunity to attend. It will be opened up to the public on April 1st. Please let myself, Luanna, or Crystal know if you want a space held for your child. Registration is due in August for any child with extended care.

Today's Quote

Never mistake knowledge for wisdom. One helps you make a living, the other helps you make a life.

-Sandra Carey

Teddy Bear Portraits

Our annual picture day had to be re-scheduled for April 22 & 23 due to a scheduling issue with the photographer. We will have a schedule of the two days with your child's name listed on the day that their picture will be taken. If your child will not be here on that day, please let us know so we can change the date for their picture.

It's Getting Warmer!

Please bring 1 large bottle of sunscreen. It's getting warmer out and we don't want these little ones getting burned! Please sign a sunscreen permission form for us. If your child is allergic to any sunscreen, you will need to let us know so we can label their sunscreen especially for them, otherwise, bring a large bottle and we will share it with the class to help eliminate 20 bottles open at one time.. Also make sure that your child's extra clothes are seasonally appropriate.

Parent Reminders:

- Please do not allow your child to bring toys or food from home. Toys create problems during the day.
- Outside food is against state Food Nutrition rules and regulations except for special occasions.
- Reminder to please not allow your child to touch the check in keypad. It is connected directly to the computer and has a tendency to make errors show up on the computer.

Thank You
