We're off and running!!

Our feet hit the ground and we started our new school year off and running. The teachers have done a fantastic job of getting their classrooms ready and we're excited about different ways that we can "grow" your child this year.

We are working together with FOCUS and Pre K to find different ways that we can encourage children to learn. It's a learning process for all of us but the outcome will be beneficial to your child.

If you are interested in being a part of our Parent Advisory Board that meets quarterly, please come see me.

Thanks, Sandi

Changing Weather

Our weather is definitely changing. It's cooler in the morning and still quite warm in the afternoon. Please dress your child in layers, with a light sweater or jacket in the mornings that can be removed as the day warms up. Also, make sure that the extra clothing that needs to be in your child's backpack or cubby is seasonally appropriate.

Reminder: The state Food Nutrition Bureau does not allow outside food to be brought in for your child unless it's a special occasion, such as birthdays or parties. Your child will need to remain outside the locked hallway door until the food they bring in is consumed.

Thought of the Day

Everything works out in the end. If it hasn't worked out, it's not the end.

Closed!!

Don't forget that the center will be closed on Monday, September 6th in observance of Labor Day.

Parking

The dentist office next door has requested that parents from the center do not park in his parking spaces while dropping off and picking up children. Please utilize the spaces next to the center. Thank you.

Special points of interest:

*Teddy Bear
Portrait studio will
be here next month
for our annual
pictures. A
schedule will be
posted the week
before with more
information.*
