It's A New Year!

We are starting another new Year and with it comes our New Year's resolutions. Sometimes those are hard decisions to make, but they are usually beneficial to us.

*We want to remind you again that all tuition payments are due in advance. To avoid late fees, payments must be made so that they can be included in our Tues AM deposit.

* Don't forget to send warm jackets for your child. Even in the winter, we try to get them outside at least a small part of the day for some fresh air and exercise.

Thank you for helping us to keep this facility open and operating for you and your children.

Trash

Please do not empty your vehicles of trash here in the parking lot. All of the banana peels, left over fast food, sunflower seeds, empty bottles, food wrappers, cigarette butts, and other garbage really make our parking lot look trashy. We do not want the neighborhood to think that we have that kind of clientele. We appreciate if you bring the trash in and deposit it into one of our waste containers in the front office. Thank you

Emergency contacts

Please make sure that we have all your current information, including your phone provider and numbers of emergency contacts so that you would be able to reach you if necessary.

Today's Quote

[OBJ]

Imagination was given to us to compensate for what we are not; a sense of humor was given to us to console us for what we are.

-Mark McGinnis
