January 2026

It's A New Year!

We are starting another new Year and with it comes our New Year's resolutions. Sometimes those are hard decisions to make, but they are usually beneficial to us.

*If you have not signed up for the universal childcare, we would encourage you to do so yet this month. They are now processing applications more quickly.

Don't forget to send warm jackets for your child. Even in the winter, we try to get them outside at least a small part of the day for some fresh air and exercise.

Thank you for helping us to keep this facility open and operating for you and your children.

Emergency contacts

Please make sure that we have all your current information, including the phone numbers of emergency contacts so that we would be able to reach you if necessary.

Pre K

Parent/ teacher conferences are coming up next month.

Closed

Kids Korner will be closed all day January 1st for New Years and January 19th in honor of Martin Luther King Jr. day.

TODAY's QUOTE

A child is a mirror. What you see is a reflection of what you have shown.

Birthdays

- 4th- Susan P.
