August 2026

Welcome to a Bright New School Year!!!

As summer winds down, the entire Kids Korner team is thrilled to welcome our families back for another wonderful school year! We kicked off the season on July 20th with Pre-K home visits and Meet & Greet sessions, leading up to our official first day on Tuesday, August 4th.

Our state-funded Pre-K program for 3- and 4-year-olds features three classrooms with 16 spots each, operating Monday through Friday from 8:00 AM to 3:30 PM. While many families have already enrolled, we still have a few Pre-K spots available, so please spread the word to friends and neighbors who might be looking for a great program!

Breakfast for nursery, 2s, and school-age children is served daily from 8:00 AM to 8:30 AM, so please arrive before 8:30 AM if your child will be eating with us, while Pre-K students will enjoy breakfast together in their classrooms right at 8:30 AM.

Parents:

To keep everything running smoothly, please check your classroom's parent board daily for updates so we can avoid interrupting your workday, check cubbies and files for paperwork, and ensure your child has appropriate extra clothing on hand. Remember that all nap linens must be sent home weekly to be washed and returned every Monday.

Important Reminders:

Please make sure to clearly label all water bottles, backpacks, and extra clothes with your child's first and last name so items don't get mixed up! It is also extremely important for all parents to have and regularly check the Brightwheel app, as this is our primary way to send updates, photos, and urgent announcements.

Every child is a different kind of flower, and all together,
make this world a beautiful garden.
