It's a New School Year!!

It's hard to believe the summer is over and it's time for school again! We are so excited for this new school to begin.

We started off our school year on July 21st with home visits for the Pre K parents and children. The next week was set aside for Meet & Greet, and our first official day of class is Monday August 4th.

We have 3 classrooms that have 16 spaces each that are available for the state funded Pre K program for 3 and 4 year olds. They will meet from 8:00-3:30 PM, Monday through Friday. We have already filled most of the vacancies for these classrooms and are excited to get started.

Breakfast is served from 8:00 until 8:30 AM for school age children, 2's and the nursery. Please make sure that your child is here before 8:30 if you want them to have breakfast.

Pre K classrooms will be having breakfast in their classrooms at 8:30 when they arrive.

We are planning to have a meet and greet for the nursery and 2's classroom so parents and teachers have an opportunity to connect. We will explore our options and let you know what dates and times we come up with.

Parents:

Every classroom has a parent board. Please make sure you check that board on a daily basis for any information pertaining to you or your child. We hate to call you at work to notify you of items that your child is in need of.

Parents have the power to encourage or hinder growth and maturity in their children.

Dr. Charles Stanley

Please check your child's cubby and file folder. Take home any paperwork. Make sure that they have appropriate extra clothing. Some items such as blankets, etc need to be washed and returned each week.
