July 2025

Pre K

We still have a few slots for our Pre K classes and then will start a wait-list for fall. This is very exciting to us! Letters will be sent out regarding our "Meet & Greet" and the dates and times. We are starting early this year so please check the dates and times. Meet and Greet's and home visits start the weeks of the 21st and 28th.

Enrollment Forms

We've been updating some of our enrollment forms, and may have some additional paperwork for you to fill out. Sorry for the inconvenience and thank you for completing these for us.

Summer Activities

We are still on a limited activity schedule for this month. We are planning on water play for the different age groups every Friday. Please make sure that your child has the proper swimwear for getting wet, and a towel. We are hoping to take the school age and older Pre K children up to the aquatic park in the south valley on their swim days. Please make sure that they have their money to go on those days.

Tuition

Please make sure that your tuition payments are current. It's so easy to get behind and so hard to catch up again. Tuition is due in advance on Monday of each week. Late fees will be assessed if payments are not received by Wednesday of the week.

Closed Friday, July 4th

You can get everything in life you want if you help enough other people get what they want.
