September 2026

IMPORTANT: Brightwheel's Code

Please remember that your Brightwheel check-in PIN code is unique to you and must **never** be shared with anyone else.

To ensure children are only released to authorized pick-up individuals and to maintain strict state compliance, every individual picking up a child must use their own assigned code. Sharing PINs compromises our tracking system and child safety. If you need to add an authorized pick-up person so they can receive their own code, please notify the front office immediately.

Center Closure

The center will be closed on Monday, September 7th in observance of Labor Day. Have a safe and happy holiday weekend!

Reminder: The State of New Mexico Food Nutrition Bureau does not allow outside food to be brought in for your child unless it's a special occasion, such as birthdays or parties. Your child will need to remain in the front office area until the food they bring in is consumed.

"Children are not things to be molded, but are people to be unfolded." — *Jess Lair*

Pre K Important Updates

Parent Engagement Night (Culture Night) is taking place on Thursday, September 17th at 6:00 PM. We encourage all families to bring an item—such as a traditional family dish, artwork, photos, or storybooks—that represents your family's unique culture. Please mark your calendars for our first Parent-Teacher Conferences on Friday, September 11th and Friday, September 18th. Please note that Pre-K students will have an early release at 12:30 PM on both conference days. Additionally, all annual health exam forms are due to the office by September 30th.

Did You Know?!

- Play is essential for early brain development; it builds neural connections that support problem-solving, emotional resilience, and social skills.
- Reading just 20 minutes a day with a young child exposes them to nearly 1.8 million words per year, dramatically boosting early literacy skills.
