Trike-a-Thon

Don't forget that our annual Trike-a Thon will be next month. The date has been set for the 19th of April. This gives you just over a month to make sure that your child is working on filling up their March calendar with pledge amounts to raise money for St. Jude's Children's Hospital. Our goal this year is \$3000. Please help us to reach that goal. We will have more details later in this month about the actual Trike-a thon day. You will receive a March calendar and detailed instructions for collecting pledge amounts before March 1st. All calendars and pledges will need to be turned in before the 19th of April.

A sign up sheet will be available to let us know if your child will be here for the week.

We will be having an Easter egg hunt for the enrolled children here at the center on Thursday, March 28th during their class time. More information will be posted closer to the event.

All Pre K students will be participating in a 4 week challenge during the month of March to promote healthy eating and lifestyle habits. I'm very excited about this. It will take a little of your time and effort- which is why it is called a challenge! Prizes are given out. We would like to see 100% participation. Thank you
