## Pictures

*We will be having our annual center pictures taken on Tuesday & Wednesday, the 10th & 11th. Again, please make sure that your child is here so that they are included in their class pictures as well as our large center pictures out front.*

## Changing Weather

Our weather is definitely changing. It's cooler in the morning and still quite warm in the afternoon. Please dress your child in layers, with a light sweater or jacket in the mornings that can be removed as the day warms up. Also, make sure that the extra clothing that needs to be in your child's backpack or cubby is seasonally appropriate.

**Reminder: The state Food Nutrition Bureau does not allow outside food to be brought in for your child unless it's a special occasion, such as birthdays or parties. Your child will need to remain outside the locked hallway door until the food they bring in is consumed.**

## Thought of the Day

Keep your face always to the sunshine and shadows will fall behind you.

**Closed!!**

**Don't forget that the center will be closed on Monday, September 2nd in observance of Labor Day.**

### Did You Know?!

- It takes 5 recycled two-liter bottles to make enough fiberfill for a ski jacket.
- For every \$1000 of fast food sales, 200 pounds of trash is created.

September 2024

Pre K

Parent engagement night is Tues, Sept 17th at 6 PM. Focus is on family cultures. Please bring something—food, art, books, etc that represents your family culture.

**No Pre K on Monday, Sept 23 Staff Development Day**
